Dear Mr. Dallum;

How's everything! Hope everything is O.K. We are sure having awful hot weather 109 degree.

By the way, is my bro. (Hiroshima) thing being shipped already or is the ^(my bro. house) door not open yet. I like to know because I have some of our belongings there. And I wanted very badly to have it here. If the house is open please let me know what kind of things are left behind. You must be very busy but would you mind letting me know. If the door is open I am trying to ask Rev. Huft to bring all our things down. And I don't know when he is able to come so I wanted to let him know at earliest I could. I hate to trouble you but please helps me out.

I am sister of Mrs Frank Chikasawa. I wonder if you remember me. I use to live right next door to you 506 years

years ago.

You must be awfully busy but please
let me know at your earliest convenience

Sincerely Yours
Mrs C. Yoshimoto
